

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF NEW YORK

DeVANTE CHIRSE,

Plaintiff,

-against-

SGT. D. PAUSELIUS, et al.,

Defendants.

1:21-CV-0464 (CM)

TRANSFER ORDER

COLLEEN McMAHON, Chief United States District Judge:

Plaintiff, currently incarcerated in the Southport Correctional Facility (“Southport”), brings this *pro se* action under 42 U.S.C. § 1983, alleging that the defendants violated his federal constitutional rights at Southport. For the following reasons, the Court transfers this action to the United States District Court for the Western District of New York.

Under 28 U.S.C. § 1391(b), a federal civil action may be brought in:

(1) a judicial district in which any defendant resides, if all defendants are residents of the State in which the district is located; (2) a judicial district in which a substantial part of the events or omissions giving rise to the claim occurred, or a substantial part of property that is the subject of the action is situated; or (3) if there is no district in which an action may otherwise be brought as provided in this section, any judicial district in which any defendant is subject to the court’s personal jurisdiction with respect to such action.

Under § 1391(c), a “natural person” resides in the district where the person is domiciled, and any other type of “entity with the capacity to sue and be sued . . . , if a defendant,” resides in any judicial district where it is subject to personal jurisdiction with respect to the civil action in question. *See* 28 U.S.C. § 1391(c)(1), (2).

Plaintiff alleges that the defendants are all assigned to Southport, and that the events giving rise to his claims occurred at Southport. Because Plaintiff does not allege that any defendant resides in this district or that a substantial part of the events or omissions giving rise to his claims arose in this district, venue is not proper in this court under § 1391(b)(1) or (2).

Plaintiff's claims arose at Southport, which is located in Chemung County, New York, in the Western District of New York. *See* 28 U.S.C. § 112(d). Accordingly, venue lies in the United States District Court for the Western District of New York, *see* § 1391(b)(2), and this Court transfers this action to that court, *see* 28 U.S.C. § 1406(a).

CONCLUSION

The Clerk of Court is directed to mail a copy of this order to Plaintiff and note service on the docket. The Clerk of Court is further directed to transfer this action to the United States District Court for the Western District of New York. Whether Plaintiff should be permitted to proceed further without prepayment of fees is a determination to be made by the transferee court. A summons shall not issue from this Court. This order closes this case.

The Court certifies, pursuant to 28 U.S.C § 1915(a)(3), that any appeal from this order would not be taken in good faith, and therefore *in forma pauperis* status is denied for the purpose of an appeal. *See Coppedge v. United States*, 369 U.S. 438, 444-45 (1962).

SO ORDERED.
